

"K" LINE AMERICA, INC.

**Solid Waste Export Regulations to the Peoples Republic of China
August 1, 2011**

Dear valued customer,

Please be advised that effective immediately, “K” Line America, Inc. will no longer accept bill of lading instructions consigned as “**TO ORDER**” for scrap or waste shipments to the PRC.

Please provide complete consignee details, including address and contact information for all future shipments.

If you have any questions or concerns please contact our export documentation department at 1-800-609-3221 or via email at Exdocumentation@us.kline.com

Thanks in advance for your cooperation and understanding.

Best regards, “K” Line America Export Documentation Department.
